

DAK BASKETBALL SCRIMMAGE

November 6th, 2021

Format: First round of games will be 2 regulation quarters, 8 minutes each quarter. Second round of games will be 2 regulation quarters, with a 15 minute allowance after to run situations each coach agrees on. Few examples, 1 minute left in game, one team up by one point; or 2 minutes left up by 5, practicing holding lead or coming back in that situation. Can also discuss with opposing coach being in a zone or press for parts of the second round games if we feel we need to work on something we had not seen yet. Just call a timeout and check with opposing coach if they are prepared for that. Do not want to limit our timeouts too much, so we have the ability to fix and correct things, so we will have 4 timeouts per half, and then discuss it before situations. I want us to get the most we can out of this, so anything you need just bring it up and we will try to work it out so we can all benefit.
